# Filing Instructions

## United States, Mexico and Canada Agreement

### Field 1: Blanket Period

Include the period if the certification covers multiple shipments of identical goods for a specified period of up to 12 months as set out in Article 5.2 (Claims for Preferential Tariff Treatment).

### Field 2: Single shipment

If the certification of origin covers a single shipment of a good, indicate, if known, the invoice number related to the exportation.

### Field 3: Exporter

Provide the exporter's name, address (including country), e-mail address, and telephone number if different from the certifier. This information is not required if the producer is completing the certification of origin and does not know the identity of the exporter. The address of the exporter shall be the place of export of the good in a Party's territory.

### Field: 4 Importer

Provide, if known, the importer's name, address, e-mail address, and telephone number. The address of the importer shall be in a Party's territory.

### Field 5: Producer

Provide the producer's name, address (including country), e-mail address, and telephone number, if different from the certifier or exporter or, if there are multiple producers, state "Various" or provide a list of producers. A person that wishes for this information to remain confidential may state "Available upon request by the importing authorities". The address of a producer shall be the place of production of the good in a Party's territory.

### Field 6: Certifier

Provide the certifier's name, title, address (including country), telephone number, and email address.

### Field 6.1: Importer, Exporter, or Producer Certification of Origin

Indicate whether the certifier is the exporter, producer, or importer in accordance with Article 5.2 (Claims for Preferential Tariff Treatment).

### Field 7 & 8: Description and HS Tariff Classification of the Good

- (a) Provide a description of the good and the HS tariff classification of the good to the 6-digit level. The description should be sufficient to relate it to the good covered by the certification; and
- (b) If the certification of origin covers a single shipment of a good, indicate, if known, the invoice number related to the exportation.

### Field: 9: Origin Criteria

Specify the origin criteria under which the good qualifies, as set out in Article 4.2 (Originating Goods).

- (a) wholly obtained or produced entirely in the territory of one or more of the Parties, as defined in Article 4.3 (Wholly Obtained or Produced Goods);
- (b) produced entirely in the territory of one or more of the Parties using nonoriginating materials provided the good satisfies all applicable requirements of Annex 4-B (Product-Specific Rules of Origin);
- (c) produced entirely in the territory of one or more of the Parties exclusively from originating materials; or
- (d) except for a good provided for in Chapter 61 to 63 of the Harmonized System:
  - (i) produced entirely in the territory of one or more of the Parties;
  - (ii) one or more of the non-originating materials provided for as parts under the Harmonized System used in the production of the good cannot satisfy the requirements set out in Annex 4-B (Product-Specific Rules of Origin) because both the good and its materials are classified in the same subheading or same heading that is not further subdivided into subheadings or, the good was imported into the territory of a Party in an unassembled or a disassembled form but
